FELLOW VOTERS OF KLAMATH COUNTY: MEET THE CANDIDATES IN CHILOQUIN ON CANDIDATES NIGHTS

We sure have a bumper crop of citizens this year willing to run for public office, all saying that they will attempt to represent you in our County.

Eight are running for Sheriff, five for one Commissioner's seat, and four for the other Commissioner's seat.

There are also three candidates for County Treasurer; and, two for County Assessor.

Even trying to keep their names straight in one's mind is bit of a task, and then trying to understand and question their positions is an additional challenge.

Your local Community Action Team and your local Sheriff's Advisory Committee have jointly scheduled two Candidates Evenings, shortly before the ballots are mailed, to give each candidate an opportunity to explain what they see as the proper way to conduct Law Enforcement, and the management of County business.

The dates are:

Wednesday, April 18th, 6:00 - 8:30 P. M. at the Chiloquin Community Center
Candidates for Klamath County Sheriff

Wednesday, April 25th, 6:00 - 8:30 P. M. at the Chiloquin Community Center
**Candidates for County Commissioner, Position 1,
and for County Commissioner, Position 3.**

THE CENTER IS OPEN FROM 10:00 A.M. TO 2:00 P. M., MONDAY THROUGH FRIDAY, AND WILL
REMAIN OPEN ON ELECTION EVENING UNTIL 8:00 P. M.

REMEMBER THAT BALLOTS MUST BE IN EITHER THE BALLOT BOX OR THE COUNTY CLERK'S OFFICE

Chiloquin Garden Club

We will be meeting once a month on the 3rd Tuesday of the month at 3:00 starting April 17th.

Our first meeting will be held at the library but as the season progresses we may meet at member's homes or other places of interest. Meeting sites will be posted at the library. Anyone interested in attending is welcome.

The Chiloquin area presents unique challenges with varying types of soil and weather conditions.

Basic gardening and current information is available such as, how to identify native and draught resistant plants and use them in landscaping, how to prepare the soil, where to order plants and buy seeds that will grow here.

The meetings are useful to all gardeners, especially new arrivals to our area.

The Chiloquin Garden Club will be taking care of the landscaping at the Chiloquin Community Center. We have an "adopt a space" plan for those who would like to have a particular area to keep up. If you would like to help, let us know.

Forest Service Seeks Photos and Information of the Crooked Creek Lumber Company Mill

Lakeview, Ore. - In an effort to keep the history of Lake County alive, the Fremont-Winema National Forest is seeking historical photos relating to the Crooked Creek Lumber Company Mill (circa 1926-1930) located in the narrow gorge of Crooked Creek Canyon. The Forest plans to use this information to construct an interpretive sign at the actual mill site.

"Even though a 1926 newspaper article touted it as the largest mill constructed in Lake County and was equipped with the most modern technology of the day, we know little about the site." said Michelle Durant, Eastside Archaeologist for the Fremont-Winema National Forest.

The mill, owned and managed by Henry C. Davis, used a combination of steam and electricity and had the capacity to process 60,000 board feet daily. To take advantage of trucks for hauling, the company built a road

from Highway 395 up into the canyon to the mill site. One account noted that the construction of the road "involved the burning of much powder." Eventually the road ended at a small logging camp on Big Cove Creek.

The first large timber sale on the Fremont National Forest, 37 MBF (thousand board feet), was sold to the Crooked Creek Lumber Company. The Company had processed 20,019.19 MBF of the sale when the lumber market slumped and operations were suspended in 1930. Then in 1935, the Company applied for a cancellation of its contract with the Forest.

Forest users can still get to the Crooked Creek Lumber Company Mill site from the Mill Trailhead. The trailhead is nine miles north of the Lakeview Ranger District off of Highway 395. Visitors can horseback ride, hike, mountain bike, fish and view plants and wildlife on the mill's former access road now a segment of the National Recreation Trail (No. 160).

If you have photos or information of Crooked Creek Lumber Company Mill, please contact Michelle Durant by phone at 541-353-2755 or by email at mdurant@fs.fed.us.

RAP CAMP APPLICATIONS DUE MAY 4

Klamath Falls, Oregon - It's that time of year for students to sign up for the 21st annual Resources and People (RAP) Camp held the week of June 17 at Camp Esther Applegate located at Lake of the Woods, Oregon. Applications are now being accepted from students between the ages of 13 to 18 from both rural and urban areas.

RAP Camp is designed to educate students about natural resource management by providing them an opportunity to take part in hands-on natural resource sessions, outdoor recreation activities and educational field trips. The camp allows kids to learn more about resources like fire ecology, wildlife, forestry, fisheries, archeology, wetlands and botany and possible careers in those fields. It also engages students in many outdoor activities like hiking, birding, swimming and canoeing.

"Students attending the camp will have the opportunity to enjoy the outdoors and make new friends, while participating in hands-on natural resource activities," said Shirley Kerns, RAP Camp Coordinator. "Cowboy poetry at a local ranch, a field trip to Crater Lake National Park, tour of a fish hatchery, and astronomy talk and tribal storytelling while sitting around the campfire are all part of the week's experience."

Thanks to contributions from federal, state, county and private organizations the registration fee is only \$225. Financial aid is available. Applications are due May 4 and can be downloaded from the Internet at: www.fs.usda.gov/goto/rapcamp

For additional information about RAP Camp and the application process, please contact Shirley Kerns at (541) 883-6716/skerns@fs.fed.us or Akimi King at (541) 885-2515/ akimi_king@fws.gov. Information is also available on our "RAP Camp" Facebook page and Web site.

FREMONT-WINEMA NATIONAL FOREST ANNOUNCES NEW MANAGEMENT OF LAKE OF THE WOODS CAMPGROUNDS AND DAY USE AREAS

Lakeview, Ore. - The Fremont-Winema National Forest selected Lake of the Woods Resort LLC as the new concessionaire to manage the campgrounds and day use areas at Aspen, Rainbow, Sunset and Fourmile Lake. Lake of the Woods Resort LLC has been the permitted business owner and operator of Lake of the Woods Resort since 2008.

"We look forward to working with Lake of the Woods Resort LLC as our recreation service partner at these campgrounds and day use areas," said Michael DeSmit, Realty Specialist for the Klamath Ranger District. "They have already started enhancing facilities, including painting and upgrading picnic tables, pruning trees and removing brush to improve views from tableside to shoreline."

Lake of the Woods Resort LLC also plans to reduce fees at Rainbow Bay and Sunset day use areas, as well as season parking passes. The day use parking pass will be \$5 instead of \$7 and interchangeable with a Lake of the Woods Resort parking pass. A seasonal day use parking pass is now \$30 instead of \$45.

“Lake of the Woods Resort LLC’s motto is “Rekindling the spirit and family traditions of the great northwest,” said George Gregory, General Manager. “Everyone who works for the company has fond memories of summer recreation experiences with their families and friends and they want to share that with visitors and patrons alike.”

Lake of the Woods campgrounds and day use areas are located 34 miles northwest of Klamath Falls, Ore. and approximately 40 miles northeast of Medford, Ore.

Chiloquin Learns After School (CLAS) provides a safe and supervised after school environment aimed at improving academic skills and performance, enhancing subject areas not available or emphasized at local schools, and fostering a community-wide effort to improve the quality of life of area children.

CLAS is open to K-6 students and operates 3-5 pm, M-Th at the Chiloquin Elementary School.

APRIL 2012

It is amazing how quickly this year has been passing by. It seems like only yesterday we were celebrating the beginning of school, Christmas season and now we begin the slow descent to the end of the year activities. With that in mind we realize that the days are getting longer and many of our students will begin walking home. If this is one of your students please send a note to let us know.

Students have been working on extramath.com to improve their math skills in addition. It is a wonderful program and many of the students are racing the teacher to achieve mastery of this skill. While they may not be able to complete 100 problems in 3 minutes the goal is set and they are working to achieve it. Hurrah for our students!

Another thought, every day our students have a time set aside for homework during CLAS. Remind you student that if no homework is assigned by their teacher they are to have a reading book to read from for at least 30 minutes. All teachers are in agreement that students should read everyday to help develop stamina and fluency. Please encourage your student to follow this guideline for success.

Our program continues to offer arts and crafts on Monday; Computer lab on Tuesday, Science experiments on Wednesday, and Thursday (everyone's favorite) game day. We are looking forward to this Thursday as we will be having an Easter Egg Hunt. It will be a lot of fun and will start at 4:00. We would love to have you join us in this event. Also, this month is Earth day, April 22. This is on a Sunday so we will be celebrating Earth day on the 23 of April. Traditionally we have scoured our school grounds and areas around the school neighborhood for trash. We will be sending more information home soon but would like to invite you to consider joining us for this community activity.

Our unfortunate event this month is the loss of our favorite helper, Jessica. She has found the demands of high school are great and that comes first. So to Miss Jessica, we will miss you. Please come visit us when you can.

As always we would like to thank you for your support. We enjoy working with your students and observing the growth that has occurred this year.

Warmly, Bev, Joyce, Corrie, and Cristi

TRVA Spring Newsletter, April 2012

The weather may be dismal as usual for this time of year, but we are feeling a little more upbeat at the gallery. Art sales, although always slow in the winter, are not nearly as slow as they were last winter. Maybe we will finally get to put this recession behind us. As expected, we did end 2011 in the red, and had it not been for some generous donations to our Treasures fundraising store it would have been very red indeed. We were really saved by those donations and there doesn't seem to be enough "thank you's" to convey how much they meant to us.

April is when we ask you to renew your membership. The cost is still \$35/year, and is due by May 1st. There is a form included with this newsletter. If you had a 'no fee' membership for the first year then you will need to join as a paying member this year. The commission rate will drop from the 'no fee' rate of 45% down to the regular member rate of 35%. You can mail in a check or drop in to the gallery to renew. This is the time of year, after a slow winter, when cash flow management becomes a bit tricky so we do appreciate your promptness with this.

Because of the economy, fundraising has to be a large effort this year, and we are lucky that a great opportunity has come along. Cycle Oregon is a 7-day bicycle ride that takes place in a different rural region in Oregon each year. This year it will pass through this area, and on day 2 of the ride, 2200 bicyclers, plus a huge support group will all spend a night at the rodear grounds near Ft. Klamath on Hwy 62. Extra help is needed from the community though, and all local organizations that participate are reimbursed generously by Cycle Oregon. The gallery has signed on for a few jobs and we will need member support to do it all. Please mark your calendars Monday Sep 10th, and come out to help on that day.

Our other fundraising activity will be the annual yard sale on Saturday, June 2nd. Please bring in any of your unwanted items to add to our collection, and if you are able to help out on that day we would love to have you. Even just a couple of hours would be great. We particularly need help in the morning to move everything outside.

It was decided at our last Board meeting that this year we will combine the Annual General Meeting with our regular May Board meeting, rather than having it on a separate day. We will hold the monthly meeting at 10 AM on Wednesday May 23rd, and the General meeting will begin at 11AM. Of course if you wish to also attend the regular meeting at 10 AM you are very welcome to do so. At the General meeting we will vote in the Board members and officers for the next year, and a potluck lunch will follow. The slate is Joan Rowe (President), Jan Voyles (Vice-President), Ali Litts (Secretary), Gail Ragsdale (Treasurer). Continuing Board Members are Charlie Matuk, Nicky Biehn, and Diane Eldridge. Stepping down are Mary Kelley and Roxy Barnett. Please do join us!

We have been displaying quilts by the Collective Visions art quilt group since January. They are marvelous quilts and it is well worth the trip from Klamath Falls to see them. If you haven't seen any yet, make a trip up to see them. You won't be sorry.

Thank you all for sticking with us through these trying times, and thank you to all our volunteers. We couldn't do it without you!

TRVA Board of Directors

Joanne Baeth Quilts on Display at Two Rivers Gallery

Joanne Baeth of Bonanza, Oregon will be exhibiting three Collective Visions art quilts at Two Rivers Gallery in Chiloquin, for the month of April (beginning April 3rd).

Collective Visions is a group of art quilters who participate in a group project each year. Each person creates a design, enlarges it, and divides it into sections. The sections are distributed to the other members of the group who complete their section using any technique, fabric, fibers or embellishments that they choose. The sections are then returned to the original designer who sews them together and finishes the quilt.

Collective Visions gives us an opportunity as a group to explore fiber arts techniques and integrate other art mediums such as paints, inks and embellishments.

SEW TROPICAL is from a design drawn by Joanne Baeth. Each member of the art quilt group completed a section using only purples, greens and yellows. They were also asked to include a gecko. Techniques included texture magic, wool felting, fabric manipulation, thread painting and raw edge applique. Quilt artists were Joanne Baeth, Kathy Adams, Dona Ford, Susan Massini and Louise Page. Machine quilting was done by Joanne Baeth.

SUMMER FANTASY is a recreation of a water color painting by Bev Barmore, Joanne's sister. Silks, sheers, inks, paints, silk rovings and beads were used. Quilt artists were Joanne Baeth, Susan Massini, Cheryl Carbone, Dona Ford and Louise Page. Machine quilting was done by Joanne Baeth.

COLORWHEEL KALEIDOSCOPE was designed by Joanne Baeth. Each quilt artist was given the same sixty degree pattern and specific color instructions. Techniques included raw edge applique, decorative stitching, fabric paints and lots of glitzy embellishments. Quilt artists were Joanne Baeth, Dona Ford, Carole Bowen, Louise Page and Susan Massini. Machine quilting and hand beading around the outside edges was done by Joanne Baeth.

How to Report a Crime

It is likely, that if you are the victim of a crime, that the Sheriff's Department will not respond. This is because the Sheriff's Department is underfunded and understaffed, and not able to respond to crimes unless lives are in danger. But still, crimes need to be reported! They need to be tracked, and sometimes patterns can be figured out that might help apprehend a criminal.

Crimes can be reported immediately online, and it is possible to get a print out of your report to have on hand. The direct link to the online reporting feature is <http://report.citizenserviceportal.com/Report.aspx?agency=kcs0>

Volunteer Opportunities in Chiloquin

Volunteer Fire Fighters - "What if you had an emergency and no one came?" *Become a Volunteer Firefighter!*
783-3860.

Volunteer Ambulance Service - 783-3131

Two Rivers Gallery: The gallery, which is a community project and has no paid employees, is seeking people to "gallery sit". This involves talking to people who stop by to browse and shop. You do not need to be an artist, but if you are, gallery hours reduce the amount of your commission. Any time at all that you can donate to us will be very much appreciated. *Contact the Gallery @ 783-3326.*

Sage Community School - Sage Community School is looking for community volunteers interested in assisting Sage Community School. *If you are interested in offering your services as a volunteer in any way, please contact Wendy Letner at 783-7743.*

Klamath Humane Society - volunteers needed at the Humane Society. We are getting started on our disaster program and need volunteers in the Chiloquin area. We also are looking for people who can write grants.
Foster homes for dogs and cats are always needed. For more information, contact the shelter at 882-1119 or e-mail staff@klamathhumanesociety.com.

Start Making A Reader Today (SMART) - a statewide program working with children K-3 during school hours. Each volunteer works one-on-one with a child for ½ hour, helping them read (or reading to the youngest). We always need volunteers, whether scheduled every week or merely as a substitute reader when the regular reader is unable to attend. Call the above numbers for an application or fill out an on-line application

at www.getsmartoregon.org. It will be the most rewarding hour you ever volunteer! *Contact the SMART office at 273-2424 or the Chiloquin Elementary School at 783-2338.*

Neighborhood Watch - Chiloquin District - 783-3798 (*Jim Rickman*)

Neighborhood Watch - Agency Lake President - Sharon Huber at 541-880-6461 or Secretary - Liz Matuk at 541-783-3921.

Chiloquin Branch Library - The library has many ways to get involved and many fun ways to contribute to your local community. Some opportunities:

1. Storytime: If you would like to read two or three stories to a small group or preschoolers, and lead them in a simple craft or activity, the library staff can use your help. Story time is at Thursday 2:30 PM during the school year.
2. Summer Reading Program: There are many opportunities during the summer to help out with this very worthwhile program.
3. Honor collections: these are racks of paperback books, magazines and audiovisual materials that patrons may check out without a library card. By offering these collections, more people in the community can be reached and a greater diversity of materials can be made available without incurring the costs of cataloging and processing items for the general collections. The staff would like to have some help in keeping these racks orderly, attractive and relevant. Check with the librarian for information on how to "adopt a rack".
4. Help with sorting donations.
5. Go through Books for Sale section and tidy it once a month or so.

Stop in at the library and see what they need or give them a call at 783-3315.

Chiloquin Visions in Progress (CVIP)

CVIP operates the Chiloquin Community Center, the Chiloquin Learns After School program, the Writer in Residence Program, and is the contact point for the Chiloquin Area Community Resource Committees and their projects. We have a volunteer list in the office where you can sign up to be available for many different "jobs" and projects. *Call 783-7780 between 10 AM and 2 PM weekdays for further information.* If you would like to get further involved, attend a Board meeting, held on the 2nd Wednesday of the month at 6PM in the Community Center conference room.
