## RAP CAMP APPLICATIONS DUE MAY 4

**Klamath Falls, Oregon** - It's that time of year for students to sign up for the 21st annual Resources and People (RAP) Camp held the week of June 17 at Camp Esther Applegate located at Lake of the Woods, Oregon. Applications are now being accepted from students between the ages of 13 to 18 from both rural and urban areas.

RAP Camp is designed to educate students about natural resource management by providing them an opportunity to take part in hands-on natural resource sessions, outdoor recreation activities and educational field trips. The camp allows kids to learn more about resources like fire ecology, wildlife, forestry, fisheries, archeology, wetlands and botany and possible careers in those fields. It also engages students in many outdoor activities like hiking, birding, swimming and canoeing.

"Students attending the camp will have the opportunity to enjoy the outdoors and make new friends, while participating in hands-on natural resource activities," said Shirley Kerns, RAP Camp Coordinator. "Cowboy poetry at a local ranch, a field trip to Crater Lake National Park, tour of a fish hatchery, and astronomy talk and tribal storytelling while sitting around the campfire are all part of the week's experience."

Thanks to contributions from federal, state, county and private organizations the registration fee is only \$225. Financial aid is available. Applications are due May 4 and can be downloaded from the Internet at: [www.fs.usda.gov/goto/rapcamp](http://www.fs.usda.gov/goto/rapcamp)

For additional information about RAP Camp and the application process, please contact Shirley Kerns at (541) 883-6716/[skerns@fs.fed.us](mailto:skerns@fs.fed.us) or Akimi King at (541) 885-2515/ [akimi\\_king@fws.gov](mailto:akimi_king@fws.gov). ## Louise Page Quilts on display at Two Rivers Gallery in May

I began my quilting career in the late early 1980's as a traditional quilter, but soon came to the conclusion that I enjoyed doing pieces which were a little outside the box. After becoming a member of a guild, I met a few like minded people, and thus the inception of Collective Visions (fractured quilts) came into being after viewing a trunk show by Cassandra Williams. The group has evolved and members have changed, however I remained as one of the three original artists.

The first three pieces which I designed were inspired by images from various Dover Books which were copyright free. The first one completed is titled "Bamboo Gardens". The original image is the part on which the butterflies and flowers reside. Five members of the group at that time (Carol Dougan, Joanne Baethe, Susie Fitts, Dona Ford and myself) created this piece. The piece was painted, trapuntoed, beaded, thread painted, stenciled and quilted. Wire crochet, melted yarns and recycled pieces of jewelry were also used.

My second endeavor for this group was a water scene entitled "The Pondering Life" which is actually three separate pieces which hang as one. The section with the frogs was the original pattern tweaked

somewhat. It was done by Carol Bowen, Joanne Baethe, Dona Ford, Susan Massini, and myself. It was accomplished through painting, beading, trapunto, fusing of fabric, creating silk fabric with rovings, thread painting, and quilting. The bird on the far left was done by quilting the image first and then adding numerous layers of color through the use of colored pencils, watercolor pencils and gel pens.

The last piece of this display is an tropical underwater scene titled "Sushi Anyone". This piece was constructed in a different manner than the first two in that the five participants (Joanne Baeth, Cheryl Carbone, Dona Ford, Susan Massini and myself) each completed elements of the design and then I created the background for the elements to be placed on.

Being a member of this group has been a very special experience for me. Not only have I gotten to know and become friends with some wonderful people, but they have caused me to grow as an fiber artist in way which I had never imagined. I highly treasure the relationships and education which I have garnered over the past seven years.

## How to Report a Crime

It is likely, that if you are the victim of a crime, that the Sheriff's Department will not respond. This is because the Sheriff's Department is underfunded and understaffed, and not able to respond to crimes unless lives are in danger. But still, crimes need to be reported! They need to be tracked, and sometimes patterns can be figured out that might help apprehend a criminal.

Crimes can be reported immediately online, and it is possible to get a print out of your report to have on hand. The direct link to the online reporting feature is <http://report.citizenserviceportal.com/Report.aspx?agency=kcs0>

# Monthly Meetings

## Chiloquin Garden Club

The Chiloquin area presents unique challenges with varying types of soil and weather conditions. Basic gardening and current information is available, such as how to identify native and drought resistant plants and use them in landscaping, how to prepare the soil, where to order plants and buy seeds that will grow here. The meetings are useful to all gardeners, especially new arrivals to our area.

# Volunteer Opportunities in Chiloquin

**Volunteer Fire Fighters** - "What if you had an emergency and no one came?" *Become a Volunteer Firefighter!*  
783-3860.

**Volunteer Ambulance Service** - 783-3131

**Two Rivers Gallery:** The gallery, which is a community project and has no paid employees, is seeking people to "gallery sit". This involves talking to people who stop by to browse and shop. You do not need to be an artist, but if you are, gallery hours reduce the amount of your commission. Any time at all that you can donate to us will be very much appreciated. *Contact the Gallery @ 783-3326.*

**Sage Community School** - Sage Community School is looking for community volunteers interested in assisting Sage Community School. *If you are interested in offering your services as a volunteer in any way, please contact Wendy Letner at 783-7743.*

**Klamath Humane Society** - volunteers needed at the Humane Society. We are getting started on our disaster program and need volunteers in the Chiloquin area. We also are looking for people who can write grants.  
Foster homes for dogs and cats are always needed. For more information, contact the shelter at 882-1119 or e-mail [staff@klamathhumanesociety.com](mailto:staff@klamathhumanesociety.com).

**Start Making A Reader Today (SMART)** - a statewide program working with children K-3 during school hours. Each volunteer works one-on-one with a child for ½ hour, helping them read (or reading to the youngest). We always need volunteers, whether scheduled every week or merely as a substitute reader when the regular reader is unable to attend. Call the above numbers for an application or fill out an on-line application

at [www.getsmartoregon.org](http://www.getsmartoregon.org). It will be the most rewarding hour you ever volunteer! *Contact the SMART office at 273-2424 or the Chiloquin Elementary School at 783-2338.*

**Neighborhood Watch** - Chiloquin District - 783-3798 (*Jim Rickman*)

**Neighborhood Watch** - Agency Lake President - Sharon Huber at 541-880-6461 or Secretary - Liz Matuk at 541-783-3921.

**Chiloquin Branch Library** - The library has many ways to get involved and many fun ways to contribute to your local community. Some opportunities:

1. Storytime: If you would like to read two or three stories to a small group or preschoolers, and lead them in a simple craft or activity, the library staff can use your help. Story time is at Thursday 2:30 PM during the school year.
2. Summer Reading Program: There are many opportunities during the summer to help out with this very worthwhile program.
3. Honor collections: these are racks of paperback books, magazines and audiovisual materials that patrons may check out without a library card. By offering these collections, more people in the community can be reached and a greater diversity of materials can be made available without incurring the costs of cataloging and processing items for the general collections. The staff would like to have some help in keeping these racks orderly, attractive and relevant. Check with the librarian for information on how to "adopt a rack".
4. Help with sorting donations.
5. Go through Books for Sale section and tidy it once a month or so.

Stop in at the library and see what they need or give them a call at 783-3315.

### **Chiloquin Visions in Progress (CVIP)**

CVIP operates the Chiloquin Community Center, the Chiloquin Learns After School program, the Writer in Residence Program, and is the contact point for the Chiloquin Area Community Resource Committees and their projects. We have a volunteer list in the office where you can sign up to be available for many different "jobs" and projects. *Call 783-7780 between 10 AM and 2 PM weekdays for further information.* If you would like to get further involved, attend a Board meeting, held on the 2<sup>nd</sup> Wednesday of the month at 6PM in the Community Center conference room.
